**MIDWEST BROILER/FRYER** - Final majority prices for this week's delivery increased slightly to one cent from last Monday's final; Ohio cities were TFEWR. The whole fryer market tone was about steady with adequate offerings. Demand into retail channels was moderate to good, best into features. Food service movement was generally moderate with fast food supplying best draw. Floor stocks were balanced; sizes desirable. Parts supplies were in close balance to available with trading limited to immediate needs only. The trade sentiment was barely steady to weak on bone-in and boneless skinless breasts and wings, and steady to fully steady on dark meat items.
